APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the 1.5 cubic feet per second herein granted is only a temporary allowance and the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use will be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.5 cubic feet per second.

Actual construction work shall begin on or before March 1, 1935

Proof of commencement of work shall be filed before April 1, 1935

Work must be prosecuted with reasonable diligence and be completed on or before March 1, 1938

Proof of completion of work shall be filed before April 1, 1938

Application of water to beneficial use shall be made on or before

March 1, 1939. Proof of the application of water to beneficial

use must be filed with State Engineer on or before April 1, 1939

Map Filed May 2, 1934

Proof of May 6, 1935

WITNESS MY HAND AND SEAL this 13th day

of September, 1934

Cancelled OCT 6 1938 because of failure to file corrected application within statutory time
